Synopsis

Russ Canning has over 30 years' experience of landscape planning and design in both local government and in private practice. His wide-ranging worldwide experience in all aspects of landscape has been recognised in planning, design and sustainability awards in the UK, Hong Kong and the USA. His particular expertise relates to masterplanning, urban and landscape design.

Russ's professional experience commenced during the early 1970s - whilst a student at Leeds Polytechnic and Manchester University he worked in vacations in the Department of Planning, London Borough of Harrow. Upon graduation in 1975, his dual academic qualifications in town planning and landscape architecture lead to the post of Senior Landscape Planner in the Department of Planning, Leeds City Council.

In 1978 Russ was offered the position of Principal Landscape Architect at West Yorkshire Metropolitan County Council.

Russ moved back to Leeds City in 1979 as Principal Landscape Architect within the Department of Architecture and Landscape. By 1980, at the age of 29, he had been appointed Chief Landscape Architect.

Became a Director of Brian Clouston and Partners, Hong Kong in 1981.

On moving back to the UK in 1983, took up the position of Associate with Cobham Resource Consultants (CRC) in Oxford with a remit to develop the landscape architecture services of the practice. In 1985, Russ was made a Partner of CRC and by the mid 1990s the practice had 15 Landscape Architects and a total staff of over 60.

In May 1996, when CRC joined the Scott Wilson group, Russ became a Director of Scott Wilson. In 2002 the practice was appointed a Strategic Enabler to CABE Space. By 2004 Scott Wilson had over 100 landscape staff working internationally out of 11 offices throughout the UK and China where Scott Wilson is now the largest overseas consultancy. (NCE Consultants Survey 2005).

In July 2004 Russ took early retirement from Scott Wilson and established his own consultancy.

In November 2004 Russ was elected a fellow of the Royal Society of Arts. An Expert Advisor to the National Heritage Memorial Fund, in 2005, he was appointed a Non-executive Director of the National Forest Company.

Since 2004 Russ has been retained as Project Manager and Landscape Architect for the restoration and upgrading of The Royal Landscape at Windsor Great Park on behalf of the Crown Estate.
